

World's Easiest & Tastiest Baked Fish!

Ingredients:

- Atomic Mushrooms
- Fish filets, trout, sword, snapper or?

Directions:

Double a sheet of aluminum foil large enough to fold over and seal fish inside. Use some cooking spray (Pam?) on the foil to keep the fish from sticking when done. Place fish on foil, douse generously with liquid from 'Shrooms & half of the 'Shrooms. Fold & seal foil, bake in pre-heated 350 oven for about 15-20 minutes (on a baking sheet, in case the foil leaks.) Enjoy the other half of the 'shrooms while the fish is cooking. Check for doneness and go nuts.

Wine tip: Riesling, Viognier or Sauvignon Blanc.
