

World's Easiest Tasty Salad Dressing!

(From Tom's sister, Bonnie Biggs, Carlsbad, CA)

Ingredients:

- Reserved liquid from one or more jars of Black Sheep's Atomic Mushrooms, Frog Balls or Hearty Chokes
- Extra Virgin Olive Oil

Directions: Add an amount of olive oil to pickling liquid equal to the amount remaining in jar (leave the remaining vegetables in too!) Shake like mad and douse your salad with it! Great tasting and good for you, too!

Wine tip: Dry whites and sparklers, too.
